We offer jobs for students or young professionals in the beginning of their career - with us you can work as a consultant on specific client assignments or you can become employed directly by one of our customer companies through our recruitment service.

Academic Work

In finance, an option is a contract which gives the buyer (the owner or holder of the option) the right, but not the obligation, to buy or sell an underlying asset or instrument at a specified strike price prior to or on a specified date, depending on the form of the option.

Option (finance) - Wikipedia

A stock market, equity market or share market is the aggregation of buyers and sellers (a loose network of economic transactions, not a physical facility or discrete entity) of stocks (also called shares), which represent ownership claims on businesses; these may include securities listed on a public stock exchange, as well as stock that is ...
