

Scribus User Manual

There is no print preview feature that I know of. I can think of one possible workaround. Reduce the zoom level, so that you can see the whole image in the Inkscape window.

Print Preview - InkscapeForum.com

Well, I don't mind helping if you can't figure something out. But I can't tell you every step to take, lol! Have you found the user manual, found in Help menu > Inkscape manual?

The Free & Open Source Image Editor. This is the official website of the GNU Image Manipulation Program (GIMP). GIMP is a cross-platform image editor available for GNU/Linux, OS X, Windows and more operating systems.

GIMP - GNU Image Manipulation Program

Desktop publishing (DTP) is the creation of documents using page layout software on a personal ("desktop") computer. It was first used almost exclusively for print publications, but now it also assists in the creation of various forms of online content. Desktop publishing software can generate layouts and produce typographic-quality text and ...
