This policy and procedure manual is designed to present the framework for implementing and managing a successful program on the campuses. It contains the hands-on detail management program administrators and individual cardholders need to know to make the program work effectively.

UNIVERSITY OF WISCONSIN SYSTEM

This standard establishes safety practices, means, methods and operations for all types of logging, regardless of the end use of the wood. These types of logging include, but are not limited to, pulpwood and timber harvesting and the logging of sawlogs, veneer bolts, poles, pilings and other forest products.
