Post-WWII Independence Movements Around the World: History ...

World history or Global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s.

World history - Wikipedia

World History for Us All is a comprehensive model curriculum for teaching world history in middle and high schools

World History for Us All:

The history of the world, in common parlance, is the history of humanity (or human history), as determined from archaeology, anthropology, genetics, linguistics, and other disciplines; and, for periods since the invention of writing, from recorded history and from secondary sources and studies.

History of the world - Wikipedia

This is the introduction to Our World in Data - the web publication that shows how global living conditions are changing. This text was previously titled "A history of global living conditions in 5 charts".
